<u>Amount</u>	<u>Year</u>	<u>Amount</u>	<u>Year</u>
\$500,000	1983	\$100,000	1986

100,000	1985	100,000	1988

PRIOR REDEMPTION: Bonds of this series are not subject to call for redemption prior to their definite maturity dates.

PLACE OF PAYMENT: Principal of and interest on the bonds are payable in lawful money of the United States of America at the Office of the Treasurer of Navajo County at Holbrook, Arizona.

SECURITY: Both principal and interest are payable from an unlimited ad valorem tax levied against all of the taxable property in the District pursuant to the provisions of Title 15, Chapter 9, Article 7, Arizona Revised Statutes, and all amendments thereto.

INTEREST RATES: All bids for the purchase of these bonds must state the rate or rates of interest to be paid and no bid at a price less than the par value of the bonds, together with all accrued interest thereon at the date of the delivery of the bonds, will be considered. All bonds of the same maturity must bear the same rate of interest. No supplemental coupons will be allowed. No bid offering to cancel interest coupons will be allowed. Bidders may specify any number of different rates to be borne on the bonds; any rate may be repeated (without regard to sequence) as often as desired.

BID CHECK: All bids must be accompanied by a certified check in a sum equal to two percent of the par value of the bonds, drawn on a bank doing business in the State of Arizona, payable to the order of the County Treasurer. No interest will be paid on the check of any bidder. The check of the successful bidder will be applied to the purchase price of the bonds or retained and forfeited as liquidated damages in the event such bidder does not take up and pay for the bonds immediately upon their issuance. All checks of the unsuccessful bidders will be returned upon the award of the bonds to the successful bidder.

CUSIP NUMBERS: CUSIP numbers have been applied for and will be printed on the bonds and the cost of printing thereof and service bureau assignment will be the purchaser's responsibility.

RIGHT OF REJECTION: The Board of Supervisors reserves the right in its discretion to reject any and all bids received and to waive any irregularity or informality in the bids, except that the time for receiving bids shall be of the essence.

COST OF BOND FORMS: The District will bear the cost of the bond forms and the printing thereof, and will furnish fully executed bonds to the purchaser upon payment therefor.

AWARD AND DELIVERY: Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the District. The net interest cost will be determined by computing the aggregate amount of interest payable on the bonds from their stated date to their respective maturities and by deducting therefrom any premium. Delivery of the bonds will be made to the purchaser upon payment in Federal or immediately available funds at the Office of the County Treasurer at Holbrook, Arizona, or, at the purchaser's request and expense, at any other place mutually agreeable to both the District and the purchaser.

LEGAL OPINION: These bonds are sold with the understanding that the District will furnish the purchaser with the approving opinion of Gust, Rosenfeld, Divelbess & Henderson of Phoenix, Arizona. Bond Counsel's opinion will state "that the proceedings show lawful authority for this series of bonds under the Constitution and laws of the State of Arizona, and particularly Title 15, Chapter 9, Article 7, Arizona Revised Statutes, and all amendments thereto; that the bonds are valid and legally binding on the District and that all of the taxable property therein is subject to the levy of a direct, annual, ad valorem tax to pay the principal of and interest on the bonds without limit of rate or amount. Such taxes are enforceable as are all other Arizona ad valorem taxes levied for county and school district purposes; however, we express no opinion as to the effect upon such enforceability within the boundaries of the Navajo Indian Reservation of taxes sought to be imposed by the Navajo Tribe." A copy of the opinion, but without its date, will be printed on the bonds. Said attorneys have been retained by the District as Bond Counsel and in such capacity are to render their opinion only upon the legality of the bonds under Arizona law and on the exemption of the interest income on such bonds from Federal and State of Arizona income taxes. Fees of Bond Counsel will be paid from bond proceeds.

TAX EXEMPT STATUS: In the opinion of Bond Counsel, interest income on the bonds is currently exempt from taxation under Federal income tax laws and State of Arizona income tax laws. Should Bond Counsel's opinion in this regard change prior to delivery of the bonds to the initial purchaser, the initial

purchaser will be relieved of his responsibility to pick up and pay for the bonds, and in that event his bid check will be returned.

NO LITIGATION AND NON-ARBITRAGE: The District will deliver a certificate to the effect that no litigation is pending affecting the issuance and sale of the bonds. The District will also deliver an arbitrage certificate covering its reasonable expectations concerning the bonds.

Notwithstanding the foregoing, the District has learned that a pipeline company has filed a lawsuit alleging that the State has no authority to tax portions of pipeline property located on Indian reservations and that the receipt of taxes by political subdivisions, including school districts, is an illegal and wrongful exaction of taxes. The suit does not directly affect the District but does affect the ability of Navajo County to collect certain of its taxes against the pipeline company. The pipeline company does not own property in this District; however, the District is entirely situated on Indian Reservation land.

The Arizona courts have held that non-Indian property located on an Indian reservation is subject to taxation; however, should the pipeline company prevail, other pipelines may ultimately attempt to relieve or ease their tax burdens. Black Mesa Pipeline Company, Inc. and Four Corners Pipeline Company, Inc. own property located in the District. This property represents approximately 8.64% of the District's fiscal year 1981-82 net assessed valuation. The consequences of such action by other pipeline companies on the District's ability to pay bonds cannot be determined at this time.

ADDITIONAL INFORMATION: Copies of this Notice and the Offering Statement relating to the bonds will be furnished to any bidder upon request made to the Clerk of the Board of Supervisors of Navajo County, Arizona; or to Young, Smith & Peacock, Inc., 3443 North Central Avenue, Phoenix, Arizona, 85012; Financial Consultants to the District.

Pete:

The Pinetop-Lakeside Chamber of Commerce and the White Mountain Resorts Association has been actively encouraging the U.S. Fish & Wildlife Service and the U.S. Congress to delay the closing of Williams Creek Fish Hatchery.

They have had some support from Dennis DeConcini and Barry Goldwater but feel they need more "horsepower" from local authorities in winning full support from Congress which will be hearing the Williams Creek issue in appropriations committee in the next few weeks.

A letter of support or a resolution would be very, very helpful. You indicated on the telephone recently that you would present this to the Board. A copy of a news article and a suggested resolution is enclosed.

Respectfully,

Ryan Reinhold
